

HERMEN [👑]DANGE

Anti-Drug Crime Ambassador

Hermen uses his personal experiences to show the reality of gang culture from school, to prison, to completely rebuilding his life at 28. He has since founded Made Running, a hugely successful running club for all abilities. He offers talks and workshops which focus on educating young people about the causes and consequences of drug crime, as well as the power of community when overcoming setbacks.

With his personal experience of drug crime and his prison sentence, Hermen is able to deliver an honest and vulnerable presentation that brings the reality of drug crime to schools, with an aim to prevent more young people following this path.
